

CLALLAM COUNTY AMATEUR RADIO CLUB

QTC
JULY 12

TEAMWORK

Becky Winters, W7RJW
CCARC President

Greetings....

What a busy few weeks this has been for CCARC! A big thanks to all of those who spent countless hours making Field Day and the Fireworks Sale fundraiser as successful as they were. A number of our members really pulled together and showed what we can accomplish if we work as a team.

Our next club meeting will be this coming Wednesday, July 11th, where we will discuss both of these events. We have plenty of photos of both-some of which will be included in this month's issue of the QTC. This discussion should prove very interesting, as we will be hearing about everyone's experiences from their own unique perspective!

A big **THANK YOU** to Port Angeles City Mayor Cherie Kidd for sharing this year's event with us and showing such an interest in what we are doing. An invitation was extended to Mayor Kidd to attend one of our club meetings.

We are still in need of submissions for the QTC, so send in any photos and articles. Share your experiences of this year's Field Day, what led you to becoming an amateur radio operator, what your particular interests in our hobby are, etc.

I hope to see you all at this month's meeting-please consider joining us! Have a great month, enjoy our beautiful weather, and mobile safely!

73, Becky

Echolink on W7FEL

Echolink has been up and running without failure since it was returned to me in mid-December. There have been in the area of 30 accesses to the clubs Echolink service since December 20th.

Most of them have been from local club members but several have been from out of country. Africa, the UK and Germany EchoLink users check in but I have no idea whether anyone was on to talk to them or not.

If you have difficulty with Echolink please drop me an email and I will look into the issue as soon as possible.

W7FEL Repeater: 146.76 MHz., offset down 600 KHz. with a tone of 100 Hz.

**Special Thanks to our FIELD DAY COOK
SHELDON KOEHLER and Family for his
excellent food and during Field Day 2012!**

A Note from Sheldon:

I want to thank everyone for your kind comments on my first year as "Camp Cook" at field day! I had fun and am looking forward to next year.

I also want to thank all of you that came out and helped at the TNT Firework tent. It was some hard work, some tedious work, but mostly it was a lot of fun! Special thanks to Mike for being the overnight security all week. And thanks to Chuck and Ernie for the many hours they put in too.

We will not have an official profit number until the first part of August when TNT finalizes the inventory. But whatever it is, it is more money in the club account than we had 2 weeks ago, Hi Hi.

Repeater Finder

I have found a great App for either iPhones or Android called RFinder. It will locate repeaters anywhere. It is the best repeater finder and directory I have ever found. It costs \$9.99 but is certainly worth it.

You can find information about it at <http://www.rfinder.net>

PS I have no connection with the company.
